
Locally sourced and crafted with love.

NY Bagel Factory prides itself on making their delicious
bagels from scratch every day. Our bagels are made
daily with fresh ingredients and a lot of love. We cr
delicious bagels that are crispy on the outside, che
and flavor ful on the inside. Experience the authenti
taste of our handcrafted creations and discover why
NY Bagel Factory stands out from the rest.

Project Overview

This project showcases a beautifully structured and appetizing homepage design for NY Bagel Factory, a brand focused on authentic, handcrafted bagels. The layout effectively blends storytelling, tradition, and modern web aesthetics to engage visitors and drive real-world foot traffic to local branches.

Locally sourced and crafted with love.

NY Bagel Factory prides itself on making their delicious bagels from scratch every day. Our bagels are made daily with fresh ingredients and a lot of love. We create delicious bagels that are crispy on the outside, chewy and flavor ful on the inside. Experience the authentic taste of our handcrafted creations and discover why NY Bagel Factory stands out from the rest.

Bagels, shmears and more

NY Bagel Factory insists on keeping with tradition, using the original New York style process developed generations ago.

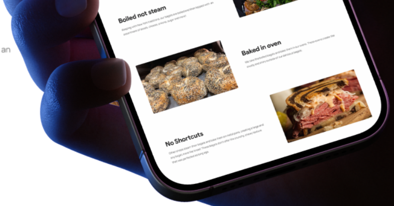
Bagels, shmears and more
How it's done?

Boiled not steam

Keeping with New York traditions, our bagels are boiled and then topped with an assortment of seeds, cheese, onions, sugar and more!



Boiled not steam
Baked in oven
No Shortcuts

Baked in oven

We take the boiled bagels and bake them in our ovens. These ovens create the crusty and shiny outside of our delicious bagels.

No Shortcuts

Other shops steam their bagels and bake them on metal pans, creating a large and airy bagel, more like bread. These bagels don't offer the crunchy, chewy texture that was perfected so long ago.
